Modern Dentistry in a Smalltown Atmosphere

CANCELLATION POLICY CHANGES 2007

Because your time and our time is valuable, we ask that patients give us 24 hours notice if you need to cancel your scheduled dental appointment.

We reserve the right to charge a \$50.00 cancellation fee for all cancellations made under 24 hours or no-show appointments. **This cancellation fee will not be covered by insurance.**

Our office will continue to send reminder post cards two weeks in advance of your scheduled appointment, and you will receive a confirmation call at least 48 hours in advance.

Thank you for your understanding in this manner!
